VOL. LIX: No. 23. REDWOOD CITY, CALIFORNIA, SATURDAY, SEPTEMBER 7, 1918 ESTABLISHED 1859.

COUNTY TAX RATE ONE CENT LOWER

The board of supervisors met in regular session Tuesday, September 3, at 10 o'clock, there being present Dr. C. V. Thompson, presiding; T. L. Hickey, W. H. Brown, John Mac-Bain and Jos. M. Francis.

County Horticultural Commissioner Newton A. Peck, submitted his report for the month of August, in which he called the board's attention to the Fava bean weavel on the coastside of the county, plans for the eradication of which he had under way. His report showed that he had inspected 475 plants during the past month, 50 of which were infected with scale and were disinfected.

District Attorney Swart addressed the board in the matter of the petition presented at a previous meeting for the abandonment of certain streets in a tract known as "Comstock" Wood, located near the Skyline boulevard.

Davenport Bromfield of San Mateo, sworn and testified as to the validity of the names on the petition and to other matters connected with the proceedings.

A resolution prepared by District Attorney Swart and calling for the abandonment of the streets as called for in the petition, was adopted, on motion of MacBain, seconded by Hickey.

Attorney Lee T. Ross of Redwood City appeared before the board in the matter of the petition of the abandonment of a portion of Ubas street in the Homestead, which matter had been continued from a meeting in July.

Following arguments in favor of the granting of the petition which called for the reducing of the above street for a certain length from 60 to 40 feet, Supervisor MacBain moved the adoption of a resolution, ordering the abandonment of the above thoroughfare. Chairman Thompson seconded the motion, and on roll call said resolution was lost by the following vote:

Ayes and in favor of the resolution—Supervisors MacBain, and C. V. Thompson.

Noes and against the resolution—Supervisors Hickey, Brown and Francis.

Following the defeat of the resolution Supervisor Brown stated that he would make an endeavor to have the different parties interested in the above matter get together and see if some settlement could not be effected

After consideration of the auditor's estimate, the following resolution establishing the county tax rate was adopted, on motion of Hickey, seconded by Mac Bain.

JOSEPH H. NASH HAPPILY SURPRISED

About Fifty Friends Gather in Honor of His Re-election

Fifty friends of Jos. H. Nash from San Mateo and Redwood City gave him a genuine surprise last Tuesday evening at his attractive home in Wellesley Park. They gathered there to do him honor on his re-election as county clerk, a position he has already filled with honor to himself and the county for the past twelve years Mr. Nash was late in returning that evening but on reaching his domicile and finding the large gathering awaiting him he was indeed genuinely surprised. An abundance of the delicacies of the season was provided by the visitors and all went merry as a marriage bell. Singing, dancing and card playing was indulged in until a late hour when the refreshments were served. VICTORY MIXED FLOUR

Full details for the new wheat saving plan, which took effect September 1st, have just been announced by Lee T. Ross, Food Administrator for San Mateo county, on behalf of the Food Administration, and the same will undoubtedly be read by the housewives with considerable interest.

A "Victory mixed flour" is now being put out by the mills, and will shortly be placed upon the market, and will be sold by the retailers without the necessity of making combination sales of flour and substitutes. There are various kinds of these mixed flours, containing barley flour and corn flour in the proportion of four pounds of wheat to one pound of substitute, and mixed wheat and rye flour containing three pounds of wheat to two pounds of rye, and whole wheat and entire wheat or graham flour containing at least 95 per cent of the wheat berry. As above stated, these Victory mixed flours may be sold without substitutes.

ENTERTAINMENT GIVEN BY PATRIOTIC YOUNGSTERS

Several patriotic youngsters of Redwood City gave an entertainment in the old Finger Grove Picnic Grounds last Tuesday to raise funds for the Red Cross and succeeded in making $8 which was turned over to the secretary of the society. The entertainment was in the nature of a Wild West show. The following boys participated in the performance. Their good work is commendable: Jack Watson, Jack Kellogg, Frank Towne, Frank Cashman, Daniel O'Connell, Bud Kellogg, Jack Walsh, Bill Kellogg and Terry Foster Kellogg.

MRS. MONOHAN'S WILL FILED FOR PROBATE

Leaves Majority of Estate to John W. Solen, a Grandson

The last will and testament of Mrs. Judith Monohan, who died in San Francisco on August 17 last, has been filed for probate. J. W. Solen, sole executor named in the will, has applied for letters testamentary thereon. The will is dated May 16, 1917 and the subscribing witnesses are, Catherine McNamara and Rosanna Dolan of San Francisco. The next of kin of the deceased are Annie Solen residing in San Francisco, Mary A. Fitzpatrick, Redwood City, James O'Connell and Christina Dolan living in Ireland, children of the deceased.

By the terms of the will these children together with E. F. Fitzpatrick, are bequeathed the sum of $100 each. Frank Fitzpatrick, Joseph R. Fitzpatrick and Jessie Fitzpatrick, grandchildren, are left $100 each. The following great grandchildren are left $50 each, Joseph L. Coughlin, Jean M. Coughlin, Dorothy Will and Helen C. Will. John W. Solen, a grandson is made the sole executor to serve without bonds. He is bequeathed the property of the deceased located near Menlo Park and Redwood. He is also made the residuary legatee. Mrs. Monahan, in her will, says this concerning her grandson: "He has been most kind and attentive to me and I am sure he will make good use of all I am giving him. I also know that he will always, in the future, do what he has done in the past—look after his mother."

The estate consists of money loaned amounting to $2000, a house and lot in Redwood City valued at $1500 and a tract of land near Menlo Park worth $5000. It is known as the old Monahan home noted for its lavish hospitality in the early days.

CITY TAX RATE FIXED AT $1.54

The city trustees at their meeting Tuesday night fixed the amount of money that it will be necessary to raise by taxation as a revenue to carry on the various departments of the town for the current year 1918-1919, and to pay the bonded indebtedness of the town during the same period. The amount is the same as that announced in last week's paper, as having been tentatively agreed upon by the board at the meeting of August 26—$45,318.01, which is about $10,000 greater than the amount raised last year, the increase being found necessary in order to offset the loss in revenue through the closing of the saloons.

The new tax rate for the city, according to the assessed valuation, will be $1.54 for what is known as the "old town" and $1.495 for the "annex." Last year's rate for the "old town" was $1.63 and for the "annex" $1.57.

WAR SAVINGS COMMITTEE MET AT THE COURT HOUSE

Jos. H. Nash, chairman of the War Savings Committee, held a meeting of the members of the committee at the court house on Tuesday evening and made arrangements for the sale of thrift stamps which has been going on for a week. This was war savings stamp week and many hundred dollars were turned into the committee from sale of stamps. Two booths were established, one at the postoffice and the other at the Southern Pacific depot. Both did a thriving business. Mr. Nash addressed the high school on Wednesday and by his earnest talk secured a number of workers among the girls. Mr. Nash urges all to redeem their pledges for the purchase of stamps by September 9 and to make more purchases.

E. B. DE GROOT GAVE A TALK ON EXPERIENCE IN FRANCE

Mr. E. B. De Groot talked most interestingly for thirty minutes this morning at the High School to the High School students and to the Sixth, Seventh, and Eighth grades of the Grammar School on his experiences in France, where he is in charge of the athletic work of the Y. M. C. A. for all the American forces. The most interesting thing he said was to tell of a French school he visited where one old school master, one young man who had been so wounded he could use but one hand, and one woman were teaching 200 children as best they could. He urged all to do everything in their power to help win the war.

THE FOURTH LIBERTY LOAN

The campaign for the Fourth Liberty Loan begins September 28 and closes October 19. While the amount has not yet been announced, it is generally conceded it will be for a larger amount than any of the preceding loans. The American people, therefore, are called upon to raise is larger sum of money in a shorter length of time than ever before. There is need, therefore, for prompt action—prompt and efficient work and prompt and liberal subscriptions.

We have a great inspiration for a great effort. The news from the battle front inspires every American heart, not only with pride and patriotism but with a great incentve to do his or her part. There is no shirking, no shifting of the individual burden, no selfishness by American soldiers in France; there should be none here. We are both supporting the same country and the same cause—our army in one way, ourselves in another. Theirs is the harder part, but at least we can do our part as promptly and loyally and efficiently as they do theirs.

LOANS TO FARMERS

The War Finance Corporation of the Treasury Department will make loans, in exceptional cases, directly and without the intervention of banks to live-stock raisers, whose industry has been classified as one necessary or contributory to the porsecution of the war.

These loans are to be made under section 9 of the War Finance Corporation act, and the loans will be made to individuals, firms, and corporations whose principal business is the raising of live stock, which includes cattle, goats, sheep and hogs.

For the present only the Federal Reserve banks of Kansas City and Dallas are designated as agencies to execute these loans, which are to be made to lie-stock raisers who are experiencing great difficulty in their operations owing to drought conditions, through cattlemen from other districts are not excluded from the benefit of section 9.

The War Finance Corporation has also effected an arrangement for extending financial assistance to the canners of New York state.

MAYOR ROLPH THE LOGICAL CANDIDATE OF THE PEOPLE

No matter what attempts may be made by partisans of Stephens or Heney to camouflage the issue that has resulted from the winning by Mayor James Rolph, Jr., of San Francisco of the Democratic nomination for Governor, and his loss of the Republican nomination, the fact remains that thousands more voted for Rolph in the primary campaign just closed than cast their ballots for Stephens or Heney.

Eustace Cullinan, San Francisco attorney and one of the Rolph campaign managers, has just issued a statement in which he clearly analyses the situation as follows:

"The Democratic leaders who are disputing over the question of whether Rolph or Heney ought to go on the ballot as the Democratic nominee are losing sight of the fact that Rolph is not only the choice of the Democratic electors but is also the choice of the people as expressed at the primary.

"Of the electors who voted at the primary, a great many thousands more expressed their preference for Rolph than for any other candidate on the ballot. The question is whether the will of those voters in both the Republican and the Democratic parties shall be thwarted by an absurd and, I think, invalid provision of the Primary Act.

"Those Democratic leaders who say that Heney ought to be the nominee are overlooking the fact that the great majority of their own party have declared that they want Rolph for their nominee. It may very well be that some of the Democratic leaders would prefer that the members of their party had nominated a Democrat instead of a Republican; but the party has spoken. The Democratic leaders, if they are leaders, ought to acquiesce in the decision of the great majority of the Democrats.

"But, as I said, the question is not what the Democratic leaders want, but whether the people of California who have declared in favor of Rolph shall have their will respected."

DIVORCE SUITS COMMENCED

A DAILY DUTY

Each day every American soldier in France is confronted by a great duty. Our army there has a great task to perform for our country, for the world, for civilization, and for humanity. Our soldiers are doing their duty with a courage and fidelity and efficiency that thrill every heart.

Each day every American citizen at home is confronted by a great duty, a duty as imperative upon him or her as the duty of our soldiers is upon them. The American people have a great task to perform. It is to support to the limit of their ability our army, our navy, our country at war.

To work with increased energy and efficiency so that our national production may be increased; to economize in consumption so that more material and labor and transportation may be left free for the uses of the government; and with the resultant savings to support the government financially is the daily duty of every American. It is a duty that will be met by every American whose heart is with our soldiers in France, who glories in their courage and fighting ability and their success.

SAN MATEO COUNTY CANNING KITCHEN TO REOPEN SOON

The Canning Kitchen under the National League of Women's Service of San Mateo county will reopen in order to supply jelly and jam to the sick and convalescent soldiers at the Base Hospital, Camp Fremont, the urgent need of which has been brought to the attention of the committee in charge.

The sugar shortage necessitated the close of the kitchen some weeks ago but the Food Administration of San Mateo county, realizing the patients at the Base Hospital claimed a special dispensation have allowed sufficient sugar for this purpose till the close of the fruit season.

An appeal for fruit is sent to all sections of the county and to neighboring counties as well and will be most gratefully received at the Canning Kitchen, No. 165 Second avenue, San Mateo, contributions of jars either new or old not smaller than one quart size are also asked for and a general invitation is extended to all women who are interested in this very important war work to volunteer their services.

Mrs. O. C. Smith of Redwood City is directly in charge of the Kitchen and any information can be obtained from Mrs. J. D. Sibley who will assign days for service. Telephone San Mateo 1318 or Mrs. L. P. Hobart chairman of the National League for Womans Service of San Mateo county telephone 126.

SOCIAL SERVICE COMMISSION OPENED QUARTERS AT S. M.

The Social Service Commission of San Mateo county has established a Welfare shop on Second avenue in San Mateo where donated bits of art, used clothing and home furnishings of every description is sold for charity.

September is the month dedicated to the Italian orphans and an urgent appeal is sent forth that all may share in the needed charity. Either by the gift of money, used articles which may be sold, or by the purchasing of the shop's selection of attractive supply assistance to the good work may be given.

It takes $100 a year to provide for the home and the education of an Italian orphan—that means that we of this country who realize how much our allies have bravely accomplished in this war must raise sufficient funds to adopt a number of these unfortunate children. The money will be sent direct to New York to the American Italian Relief (Mr. Belano secretary.)

During the past year new miseries have stricken the people of Italy, and the waifs cast up by the tide of war must be cared for so as to mature into strong men and women to carry onward the heroic spirit of Italy.

Therefore to have a part in the difficult task of these noble Italians during this crucial period is not a duty but a privilege. Italy, unstintingly sacrificing her blood not only for herself but for her allies, must be succored in return by our gifts to her orphans.

Bear in mind the place—Welfare Shop on Second avenue in San Mateo.

Time—September.

Gifts—Money, used clothing or household goods, or by buying at the shop.

Object—The adoption or war orphans in Italy.

Don't delay in doing your bit. The opportunity is a golden one. Share in its work.

Clarence E. Congdon has applied in the superior court for letters of guardianship upon the estate and person of Robert Emmett Congdon, an incompetent person. The estate consists of real estate in the southern portion of the state and personal property. Kirkbride and Gordon are the attorneys for petitioner.

Some of the stately names for California homes are Sherwood Hall, the Menlo Park residence of Mr. and Mrs. Timothy Hopkins; Howard House, the home of Mr. and Mrs. George Howard in San Mateo; Baskingridge, the Edward G. Schmiedell home in Ross Valley; Lloyden, the Joseph Ballou home in Menlo Park.

REDWOOD MAN GETS PATENT ON BIG LABOR SAVING DEVICE

Gus Waller, contractor carpenter of this city, has secured a patent on a concrete form device that will mean a big saver of material, labor and time. At present lumber is being used in the construction of these forms, which are only good for one time. According to Waller's patent a steel plate is used, which is attached to a locking device that holds the plate securely in place. These plates can be taken down and used over and over again. Concrete ships and houses can be built with greater speed using this device and a saving in labor will naturally follow.

That Waller's patent has met with favor in Washington is evident from the fact that he has received offers for rights to use the device in New Jersey and Georgia.

Waller stated yesterday that he intends offering the use of the patent to the United States government and her allies during the period of the war, free of charge and says that his patent will be a factor in helping to lick the kaiser, which is the only pay he wants from the United States.

H. L. WILLIAMS SUES FOR $25,000 DAMAGES

H. L. Williams, a Redwood City butcher, has filed suit in the superior court against A. Alpert and John Cauhape of the Santa Clara Valley Meat company for $25,000 damages, alleging that on the 6th day of June the defendants falsely and maliciously filed a petition to have him adjudged a bankrupt. According to Williams, the petition stated that on February 7th of this year he had transferred his stock and fixtures to his son, Harrison L. Williams, with intent to defraud his creditors. Williams admits the transfer was made but says it was only because he was in ill health and unfit to manage the business. He says that advance notice of the transfer was given in accordance with the law and there was no intention to defraud anyone. John D. Willard is his attorney.

ARMENIAN-SYRIAN DRIVE BEGINS NEXT WEEK

Next week the drive for the relief of the Armenians and Syrians will begin. A meeting was held last night at the Congregational church for the purpose of locating the districts of Redwood to captains who will have charge of the teams. Those who are back of this meritorious movement are D. W. Williams, C. M. Doxsee, R. W. Cloud, L. P. Behrens, S. P. McCrea, A. E. Montieth, W. S. Wardlaw, B. E. Myers, C. H. Stevens, G. A. Brice, C. A. Brown, Kittie Crowe, and Mrs. Charles Helser.

It is desired to raise at least $1500 during this drive, some of which is already pledged. Special announcement will be made Sunday night at the Episcopal church by Mr. McCrea, the children of the schools have been appealed to, and circulars have been sent to every home in Redwood. Here is unquestionably an opportunity to do the right thing for thousands of destitute adults and children. There are over two and one-half million who are lacking the barest necessities of life, and of these 400,000 are orphans.

You have been asked to give and you have given generously to many worthy calls, but this is second only to the most urgent calls of our government. Imagine yourself going with one skimpy meal a day for a year at a time, then consider what you have in comparative abundance. You are now ready to contribute. Hand to collectors or to Mr. Frank Towne at First National Bank.

PROFESSOR McCREA RECEIVED THIS INTERESTING LETTER:

Rantoul, Ill., August, 13, '18.—Dear Mr. McCrea: Some time ago I received the school letter which had been following me from post to post during my perigrinations. I was mighty proud to be in the splendid list of men furnished the service by our school, and I can not help but feel that the proportion of men turned out by our little school is well in the lead of other schools of similar size.

It may interest you to know that I finished my flying course at North Island and received my lieutenacy on May 11. That from there I was sent to Brooks Field San Antonio, Texas, for an advanced course to prepare me for instructor. That I am now instructing advanced flying at Chanute Field, Rantoul, Ill.

Flying is a most interesting branch of the service and as is true of every branch of service, we have a splendid class of men. My wife and I are quartered at the post and expect to be here for about three months when I hope to be sent over seas.

Very best wishes to you and your son. Always I will remember the very pleasant days I spent under your instruction at the old school.

Very sincerely,
RICHARD HELLMAN

A wedding that will be of interest to many persons in this city was that of Harry E. Solen and Miss Irene A. McCabe, which took place in San Francisco last Friday. The groom is a former well-known Redwood boy and is a nephew of Judge and Mrs. Edw. F. Fitzpatrick. He is the son of Mr. and Mrs. John Solen of 1132 Masonic avenue, San Francisco. The bride is a most estimable young lady of San Jose. Mr. Solen for a number of years has been employed as a locomotive engineer for the Southern Pacific, having a run between San Francisco and San Jose.

SAN CARLOS ITEMS

Mrs. Jack Schroeder and Miss L. R. Bush from San Francisco are guests of Mrs. Virginia A. Lord.

Mr. and Mrs. Chas. Wilcox who have been visting at the Hull home for the past fortnight have returned to their home in El Paso.

Since the Hulbert's leased the Quinn cottage there are no vacant houses in San Carlos. The three room apartment at the Powers' home is all that San Carlos has to offer.

Mr. Rex Stewart one of the S. P. trainmen was down from San Francisco for the week-end at the home of his brother, D. L. Stewart of the Baldwin company.

Mr. A. C. Hulbert of the Hulbert Electric company moved from Burlingame to the Quinn cottage the first of the month. This adds two scholars to our school and one more commuter between here and the metropolis.

The San Carlos voters who so nobly and loyally stood by Jimmie Neuman are happy to know, so long as their favorite candidate had to meet defeat, after so many years of faithful and efficient service, that he lost to such a gentleman as Mr. Kneese, one of equal qualifications and of that happy comarderie which makes every one whom he meets a friend.

The after election apologies of the San Mateo News are really amusing. There must have been an ax to grind, and my mind is now clear, for it is very plain that it was Franklin K. Swart that Mr. Blomfield was fighting and not the special clubs in the north end of the county.

Clark Rice who made such a splendid showing at the primaries over the over two popular and pleasing opponents for county recorder was a visitor last Saturday. Considering the little time Mr. Rice had to spare from his professional duties to campaign work previous to the election he made a very remarkable showing and it certainly bespeaks for him the splendid reputation he has made for himself during his many years residence in the county.

When Heney calls McNab a traitor to his party, it is for every body with a spark of humor in their makeup to laugh; so far as political organizations are concerned we all know that Francis J. Heney has been all things to all men, for he has been a member of every political organization on earth with the slight exception of the prohibition party. We all admire Frank Heney as a brilliant lawyer and as a fearless prosecutor of graft in high places and low; but we also know that Frank is not an executive and we have known it from the time that he ran for District Attorney of San Francisco until he fought for the governorship of California. The late and revered John Eshleman was endorsed by every political party in California at the time he ran for Lieutenant Governor, and which he would have been had he been spared to succeed Hiram Johnson for governor, and the people have spoken almost as loudly and emphatically for Jimmie Rolph for governor and regardless of the aforesaid technicalities of the law he will be our next chief executive of this great commonwealth of California to help Woodrow Wilson lick the kaiser.

J. D. SHAW TAKES EXAMINATION

John D. Shaw, chief deputy in the county surveyor's office, was in San Francisco Thursday where he took the examination in the Engineer Reserve Corps for a commission in the army.

Should he be successful in the test he will be sent to a training camp in Virginia. Mr. Shaw has been connected with the surveyor's office for some time. He is an engineer of ability.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

"Rinaldo," a fancy drink at Sobel's Soda Fountain, is attracting attention these war days. It is something fine in the fruit flavor sodas.

The Menlo Studio on Santa Cruz avenue opens today. The proprietor is prepared to receive orders for photo postals, etc. He uses the most improved styles in his work. Quick service the motto of the studio.

P. F. Newell, the new secretary of the Knights of Columbus building at Camp Fremont, arrived from Camp Lewis during the week. He takes the place of T. D. Ferguson who has gone to Vancouver Barracks to do similar work. Edward Healey has been appointed an assistant secretary at the building. He is preparing himself for oversea work for the Knights of Columbus. He recently resigned his position in the bond and warrant department of District Attorney's office in San Francisco to take up war work.

P. H. McEvoy returned from Sonoma county on Monday where he had been for some time at Verona adjusting his losses in a fire that occurred last month there. He owned a summer resort at the place one of the main buildings of which was totally destroyed. It was a large two-story structure valued at $10,000. There was no insurance on the building.

Thomas Higgins has resigned his position as caretaker of the local station for the Southern Pacific Co. and has gone to Watsonville where he will be employed by the company in another capacity. Mr. Higgins made many friends while here and carries with him to the south the best wishes of the people of Menlo Park.

Chris Antone, proprietor of the Golden Eagle Ice Cream Parlors, met with an accident on Tuesday while coming from San Francisco. His machine skidded. He was thrown out and severely injured. The automobile was demolished.

Athletic Director H. W. Maloney, well-known here and at Palo Alto as an athlete and sportsman, was during the week ordered to Camp Gordon, Atlanta, Georgia, to attend the Physical Training School for officers.

The Southern Pacific company is constructing a spur track along the recently abandoned road in front of the Merrill tract and opposite the police station.

Duncan Reynard and Edward Polson left on Monday for Camp Kearney. They went with the San Mateo county contingent. The young men registered last June, they being 21 at that time.

James G. Mason has been appointed to register the draft men between the ages of 18 and 45 next Thursday. Mr. Mason has arranged to be at the school house with a competent corps of clerks, to assist him in the work. It is believed that fully 500 will register here.

On Wednesday Major Archer, well-known in Menlo Park, was promoted a Lieutenant Colonel. He is located at Camp Fremont but his interesting family live here. His numerous friends rejoice in his merited promotion.

Arthur Midgley, who enlisted in the army in the munition corps, has arrived in France and is somewhere at the front. He is a mechanic and no doubt this work is in connection with the big guns.

An error was made in these columns last week when it was stated that Lieutenant Joseph A. Donohoe had arrived at the Donohoe home here for a short stay. The fact of the matter is that he is in France with his company, the Grizzlies. He has been there for some time and no doubt by this time is somewhere at the front bearing the brunt of battle with his comrades in arms.

Word comes from Camp Meade to the effect that Stanley Thompson, formerly of Menlo Park and son of Mr. and Mrs. Thompson of Menlo Heights, has been promoted to a captancy. The captain is a graduate of Sequoia Union High School and enlisted when war was declared.

Miss Angele Joulie, daughter of Mr. and Mrs. B. Joulie of University Heights, is spending a few days with her parents. She is training in San Francisco for overseas duties as a nurse.

The water from the artesian wells at the home of J. L. Flood has been turned into the Bear Gulch mains to meet the demands made upon the water system. Over a half million gallons are pumped daily into the system. David Roche has charge of the pumps in the day time and Mr. Goertzhain at night.

J. F. McNally of Yonkers, N. Y., was here during the week on a visit to his brother, Richard A. McNally, manager of the Menlo Pharmacy.

BENEFIT BAZAAR OPENED WITH A BLAZE OF GLORY

The bazaar and festival for the benefit of the Church of the Nativity opened on Thursday evening in the Moose Club grounds with a blaze of glory. Youth and beauty were present together with staid maids and comely matrons all bent in making the affair a success. Mingling in the big throng were pretty maidens selling chances on various articles of value while here and there flitted young girls with grab-bags and fancy articles for sale. Last evening the crowd was even larger than the evening before. The open air dance in the pavilion has attracted the soldier so that the floor is fairly crowded with dancers every evening. The dance this evening will be well patronized. A military band from the camp is to furnish music. Mrs. James D. O'Kane is in charge of dance and the way she manages the floor has elicted words of praise not only from the boys in khaki but all others as well. Mrs. B. M. The oldest known WILL in the world. Executed 4466 yrs ago

INDORSEMENT

Will of Uah

The will of Uah was translated from the original by F. L. Griffith, M. A. F. S. A. reader in Egyptology, University of Oxford, and liberalized by Daniel S. Remsen of the New York Bar.

This Will was executed B. C. 2548. It was written on papyrus, executed in the presence of three witnesses, folded vertically and sealed with the impression of a scarab, scroll pattern. It was unearthed by Dr. Flinders Petrie at Kahun, Egypt, and is now the property of the museum attached to London University.

—Now is the Time to Have *Your* Will Drawn and Name this Bank as *Executor*.

Despite the fact that thoughtful men like Uah, the Egyptian (whose ancient Will is reproduced above) have been making Wills since time immemorial, it is said that 95% of men die today without leaving one of these important documents.

Only second in importance to having your Will prepared at once by your attorney, is the naming of a responsible institution like the Bank of Italy as Executor thereof.

What more responsible or capable Executor could you desire than this large bank—an institution of state-wide magnitude, and with resources totaling over $80,000,000?
